Surgeons certificate of disability of John
Menning a recruit for 10th Regt Mo. Volr Inf

This is to certify, that I have carefully
examined John Menning a recruit for 10th
Regt Mo Volr Inf and find him unfit for military
service by reason of secondary Syphilis. In
my opinion he will for months not be fit for
any field service.

The disease existed before his enlistment, and
with proper care & examination it might have
been discovered.

Dr Wm Fritz A.A. Surgeon U.S.A.
in charge of Hospital.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special case must be taken to state the degree of disability—as *l. l. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

See 1860 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

CERTIFICATE OF DISABILITY FOR DISCHARGE.

(To be used, in duplicate, in all cases of discharge on account of disability.)

Henry Marks, a Muscian of Captain E. H. Henry's Company, ("D") of the Tenth Regiment of United States

Missouri Volunteer was enlisted by Capt E. H. Henry of the Tenth Regiment of the Vol. at Ashville Illinois on the Eighth day of August 1861, to serve three years; he was born in Prussia in the State of is thirty three years of age, five feet five inches high, light complexion, blue eyes, grey hair, and by occupation when enlisted a Carpenter During the last two months said soldier has been unfit for duty 60 days. (Here consult directions on Form 12, p. 202, Medical Dept. Gen. Reg.)

Henry Marks was in a very slight degree afflicted with Hernia previous to entering the service. Subsequent hardships and exposure has greatly aggravated the rupture totally unfitting him for service

STATION: Camp near Corinth Miss. DATE: July 30 1862 S. D. Sewell Lt. Col. Commanding Company.

I CERTIFY, that I have carefully examined the said Henry Marks, a Musician of Captain E. H. Henry's Company, and find him incapable of performing the duties of a soldier because of (Here consult par. 1134, p. 245, and directions on Form 12, p. 202, Med. Dept. Gen. Reg.) Intestinal Hernia - This was originally a case of straight lined Hernia becoming Intestinal, said Hernia as now existing at (often) the site of a Intestinal Head becomes strangulated, but generally easily reduced. It must have been large when he was enlisted, as it has been very large and troublesome for months - it is impossible to adopt an ordinary truss, and prevent the Intestine from passing into the Sacrum. He is absolutely unfit for a soldier - ought never to have been enlisted and should be discharged at once.

O. B. Payne Surgeon.

DISCHARGED, this fourth day of August 1862, at Camp near Bear Creek near Corinth, Mississippi. J. C. Johnson Lt. Col. Commanding 2^d Brig. 3^d Div. Army Miss.

NOTE 1. - When a probable case for pension, special care must be taken to state the degree of disability. NOTE 2. - The place where the soldier desires to be admitted may be here added.

Transportation

Depot Quarter-Master's Office,

Annapolis, Md., May 21 1864

Sir:

I have the honor to inform you that I have
this day furnished Transportation on your requisition, for

Co. 14th Reg't of ~~the 1st Div.~~ from
Annapolis, Md. to ~~Washington D.C.~~
at a cost of ~~one~~ Dollars, Twenty Cents.

I am Sir,

Very Respectfully,

Yours Ob't Serv't,

J. B. Blount
Capt. U. S. A.

To ~~the Surgeon~~

Surgeon U. S. A., Annapolis, Md.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—at 4, 5, &c., &c.; to specify particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Per. 1860 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment in which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C., they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.

The company commander will here add a statement of the facts known to him concerning the disease or wound, cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly the line of his duty; and whatever other facts may aid in ascertaining as to the cause, immediate or remote, of the injury, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the soldier is in charge of a hospital, the officer commanding the hospital, or recruits, &c., &c.

NOTE 2.

In a probable case for pension, special care must be taken to state the degree of disability—as *l. p. &c.*, &c.; and particularly the disability, wound, or disease; and to which it deprives him of the use of any limb, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In all discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the Medical Inspector, after a personal examination, and for disability, of the nature, degree, and origin of which are correctly stated in the within certificate."

REGULATION, Edt. 1861.

Officers, in giving certificates of disability, are to exercise particular care in all cases that have not been under medical charge; and especially in epilepsy, convulsions, rheumatism, derangement of the urinary organs, insanity, &c., or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificates be given until after sufficient time and opportunity to detect any attempt at deception.

DIRECTIONS.

Certificates will be made out in duplicate by the soldier's commanding officer, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will fill out and sign the surgeon's certificate, and forward them to the regimental, detachment, or post commander, who will forward them with his action endorsed thereon, through the proper authority to his division commander; or, if the troops are not attached to a division, to the corps, department, or other commander or officer having the authority to discharge enlisted men may be specially directed.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned to the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last paragraph on this paper, and that the soldier is furnished with the same. These certificates in duplicate, and forward BOTH of these certificates to the Adjutant General United States Army, at Washington, D. C., they will not, under any circumstances, be given to the hands of the soldier.

Capt. Comd'g Co. H

10th Regt. Mo. Infy.

Upon said Charges and Specifications being read to the accused Pirate Michael Mlenning, he pleaded as follows.
To the Specification of 1st Charge Not Guilty.
To the 1st Charge, Not Guilty.
To the Specification of 2^d Charge Guilty.
To the 2^d Charge, Guilty.
To the Specification of 3^d Charge Guilty.
To the 3^d Charge, Guilty.

Captain Christian Mappel, Co. H. 10th Regt. Ills. Inf. a witness for the prosecution was duly sworn.

Question. State what you know of the refusal of the accused Michael Mlenning, to go on guard at Tallahatchie River.

Answer. The orderly Sergeant N. W. Moore came to me, and reported that he had ordered Mlenning to go on Camp guard which he had refused to do. I went to Mlenning, and told him that he must go on guard, but he would not do it. And did not go on guard; this was on the 3^d day of December 1862, when we were on the march from Simpson's Mill to Oxford and were camped that night, at a Cotton field, near the Tallahatchie River.

No Cross Examination.

Meriam W. Moore Orderly Sergeant, Co. H. 10th Mo. Inf. a witness for the prosecution was duly sworn.

Question. State what you know, if anything, of the refusal of Michael Mlenning the accused, to go on guard at the Tallahatchie River.

Answer. I detailed him for guard, I think it was his regular turn and he refused to go. I don't recollect the reason, but not of any importance, I think. I

reported the matter to the Captain; this was on the 3rd or 4th of December 1862, at the Camp on Tallahatchie River.

Cross Examined by accused.

Question. Did you not detail me that morning to go after meat?

Answer. I do not recollect whether I did or not.

Charles Collins, a witness for the defence, was then duly sworn.

Question. Were not you and I and others detailed to go after beef, the morning we came to Tallahatchie
Answer. I don't recollect. "afterward, on reflection, said: "I do now recollect of being detailed for the purpose of getting beef in the morning before we moved Camp into the cotton field, together with Manning. And in the afternoon at the camp in the cotton field I was detailed to dig sinks and dig it. We were at work getting beef about an hour.

Upon mature deliberation, the accused Michael Manning is found as follows.

Of the Specification of 1st Charge Guilty

Of the 1st Charge — — — Guilty.

Of the Specification of 2^d Charge Guilty

Of the 2^d Charge — — — Guilty

Of the Specification of 3^d Charge Guilty

Of the 3^d Charge — — — Guilty.

And I, Francis C. Deimling, Major 10th Reg^t Mo. Infy. acting as aforesaid, do therefore sentence the said private Michael Manning Co. "A." 10th Reg^t Mo. Infy. to forfeit Two (2) months pay, to be entered upon the next Muster & pay Roll of Co. Colonel.

I herewith tender you my immediate and unconditional resignation
as 1st Lieut. of Co. C' in 1st Mississippi Inf.

My parents are aged, and my father is crippled with rheumatism, so
that he is incapable of attending to his business affairs, which are in an
unsettled condition, and unless attended to immediately, will inflict a heavy
pecuniary loss upon the family.

I have been in the service of the United States for twenty six months and
have never been absent from my duty for a single day, and in tendering
this resignation I do so from the conviction that filial duty requires me to
return home, and look to the welfare and comfort of my aged and infirm
parents.

My company is much reduced and will not muster more than
half the maximum number. I have been detached from it since last
October, and in view of the orders looking to consolidation my services would
be but little missed.

I certify on honor that I have turned over all Government property in
my possession to those authorized to receive the same, that I am not indebted
to the United States Government on any account, that I was last paid by W. S.
Paymaster, Major Stewart to include the 30th of June 1863, and that I have never
been absent from my command.

Very Respectfully Yours.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War. And in case any of the officers, so authorized to take care of the effects of deceased non-commissioned officer or soldier, accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company in which the soldier belonged, a report of his death, specifying the date, place, and

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended, as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{2}{3}$, &c., &c.; to describe particularly the disability, wound or disease; the extent to which it deprives him of the use of any limb or faculty, or of his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree and origin of which are perfectly described in the within certificate."

Medical officers, in giving certificates of disability, are to have particular care in all cases that have not been under their charge, and especially in epilepsy, convulsions, chronic inflammation, arrangement of the urinary organs, ophthalmia, &c., or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company or detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the duplicate certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final document in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Forrest Marshall

St Louis, Mo.

Dear Sir

I identify from
the army of the U.S. one becoming so slung
here as to be burdensome. Public confidence
in the discipline of the army is waning
and a opinion much good would come of
the arrest and summary punishment
of a few of the liberty lovers

I therefore respectfully ask and request that
you issue an order for the arrest and delivery
at your office of one Henry Miller private
of Co "E" 10th Reg. Mo. Inf. Vol.

Said Miller has been in this county some
two months or more. Says he "never intended
to fight for niggers and d-d if he will
and that he cant be taken back to
the Regt." We have a Sheriff of the
True metal who will perform with
alacrity any duty you may require
Such an order addressed to him here will
be promptly attended to.

In reply to your letter requesting a Descriptive List of William Murphy a Priv in Company 36 10th Regiment Mo Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office; which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

William Murphy a Priv in Company 36 10th Regiment of Mo Volunteers, is

years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 12 day of Sept 1861, at the town of Neenah in the State of Wis by Capt 36 app and mustered into the service of the United States on the 12 day of Nov 1861, at the town of Neenah in the State of Wis by Capt Smith to serve for the period of 3 years or "during the war."

Very respectfully,

Your obedient servant,

This "Partial Descriptive List" is given in order that the soldier may be discharged as soon, without waiting for a descriptive list from his company commander; and having been used by the proper officer to make out the soldier's final statement, should be endorsed with a statement to that effect by this office. The endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statement, the clothing account, and other charges against him, as far as possible, as to complete a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will attach the full statement to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that this list is incomplete or "partial."
